We stand up and rescue PMOs. On your paper, with our people. Essix is a veteran-owned subcontracting partner for program management, PMO stand-up, and organizational change management. We do the work we are written in for.

WHAT WE DO

- **Senior Program / PMO Lead.** PMP, CMMI-trained key personnel; charter, intake, portfolio reporting, RAID, executive cadence.
- **PMO and Governance Stand-up.** Operating model, intake, PMIS configuration, role-based dashboards. Fixed-fee or T&M, self-performed.
- **Organizational Change Management.** Prosci ADKAR-based adoption planning, stakeholder analysis, communications, training.
- **Program Recovery and Interim Leadership.** Rebaseline, governance reset, honest status; stabilize and hand back with a runbook.
- **PM Training.** PMI Authorized Training Partner instruction; six federal cohorts since 2017, including DLA personnel.

DIFFERENTIATORS

- SDVOSB and WOSB credit on one subcontractor.
- Similarly-situated entity for SDVOSB primes under 13 CFR 125.6.
- Senior lead on your task order in 30 days.
- Fixed-fee enterprise PMO delivered at 0.03% variance.
- Not a pass-through. Every hour we bill, we perform.

KEY PERSONNEL PAST PERFORMANCE

Appalachian Regional Healthcare / 14-hospital health system / Greenfield enterprise PMO

\$754,700 fixed fee	\$754,481 delivered, 0.03% variance	26 wks to launch	18 projects under governance, Nov 2025	100% strategic projects through intake
------------------------	---	---------------------	---	--

- **Broadleaf Financial Group.** CRM platform and integrator selection, implementation PMO; readiness 26/50 to 50/50 at 77% of budgeted hours, extended twice.
- **Regional Food Bank of Oklahoma.** ERP requirements and RFP; USDA home-delivery program scaled 30x from pilot at 98.4% confirmed delivery.
- **Defense Logistics Agency (via C5MI).** Program director, \$200M DoD ERP implementation recovered from a failed systems integrator.
